## A POPULAR OUT-DOOR GAME.

Football Established in the Affections of the Washington Youth.

## SOME OF THE MEMORABLE CONTESTS.

A Sport That Follows in the Footsteps of Baseball.

The interest in the game at football has greatly increased in this city during the past five or six years. Five years ago there was only two clubs in existence, one at Georgetown College and one at the High School. These two clubs seldom met, and what practice they did get was with the small boys at school. As these games were generally very one-sided, not much interest was taken in them.

During the next year, however (1884), the Georgetown College team made a trip to St. John's Academy and the High Schools made several visits to Kendall Green to play the "Dumbies." These visits, although usually resulting disastrously for the High School team, as the "Dumbies" were much heavier and more experienced, set the ball a rolling in this city. In 1886 several teams were formed on Capitol Hill.

One was organized at the Peabody and one at the Wallace School building. Another team, so organized, called the Amateurs, but this team was formed from outside players, and had nothing to do with the school teams. These clubs played several games together, but as the Amateurs were much heavier than the other clubs they had everything their own way. In 1887 the three teams, with the High Schools and Georgetown, were still in existence. Several new teams were also organized. The boys about Dupont Circle organized a team under the name of Duponts.

This team is still in existence and is destined to become one of the best in this part of the country. Another team was formed on Capitol Hill, called the Athletics, and one at the Emerson Institute, one at Le Droit Park and one at the Friends school. Many good games were played, and the Amateurs were heavy, but things just as they wanted them, losing only one game during the season. They played two games with the Athletics and won by the scores of 8 to 0, and 9 to 0. They won a game from the Wallachs by the score of 50 to 0. Out of two games with the Athletics they won one by the score of 4 to 0, and tied the other, the score being 0 to 0. Out of two games with the High Schools they won one by the score of 6 to 0, and lost the other by the score of 4 to 0.

As the Athletics beat the Friends 36 to 0, the Amateurs did not deem it worth while to play them, and as the Duponts and High Schools both won games from the Le Droit, the Amateurs did not play that club. For the same reason they did not play the Georgetown College, the Duponts winning two games from that club. The season ended as follows:

1. Amateurs—Won, 9; lost, 1; tied, 1.  
2. Duponts—Won, 4; lost, 1; tied, 1.  
3. High School—Won, 3; lost, 1.  
4. The Athletics, Wallachs, Peabody, Emersons and Friends closed the season in the order named.

**This season's teams.**  
The same teams are in existence this year as last, with the exception of the Athletics, Friends, Emersons and Le Droit. Two new clubs have been organized, the Jeffersons and one from Franklin School.

The Duponts have, by getting several ex-Princeton and Harvard men, come to the front with the strongest team in the city. In fact, they have been heavy and round, and no team in the city will play them. During the first part of the season the Orientals (last year's amateurs) started to play them. After about ten minutes play two of the Orient men were hurt, and the game was forfeited. At the time of calling the game the score was 0 to 0.

On account of business, several of the Orient's best players were compelled to resign, and Capt. Williams is now hard at work breaking in new members. As this is slow work, it will probably be very late before this object is attained. A very good game was played between the Georgetown College Eleven and the Orient's last month, which resulted in a victory for the Georgetown by the score of 8 to 0. The Georgetown also started to play the Duponts, but after about 20 minutes play they gave up, the score then being 16 to 9 in favor of the Duponts. The second Dupont Eleven then defeated the Georgetown Eleven by the score of 14 to 0.

The next game of the season was played between the Kendall Green team and the Orientals. It resulted in a tie, the score being 0 to 0. The game was to have been played off last Tuesday week, but the Kendalls did not show up. It was then postponed until last Saturday week, but wet grounds prevented. It will probably be played next week.

The Orientals and Georgetown College played a good game Tuesday afternoon, which resulted in another victory for the Georgetown by the score of 6 to 0. The game was well played throughout, and, not until the game was called on account of darkness, was it known which club would win.
